at Legends in
De Pere. The

be performing**

Meeting:

**Jan 10 at Nicolet
7:00pm**

As I review my November Vintage Magazine , the article on Re-registration strikes my short nerve! They, the FAA claim that there are 357,000 aircraft registered in the U.S. have inaccurate records. Do our favorite politicians think that we really believe this!! These records are only inaccurate because of their carelessness in handling of these records This is just another way for our present government to get a little more spending money out of our pockets. They also tell us that the \$5.00 Re-registration fee will expire in three years, with Re-registration and subsequent renewals there after? I hope that by the time you receive this note you have enjoyed the company of your aviation enthusiast at our Annual Christmas Party, and enjoyed the great fall flying weather. As we close out another Chapter Year I would like to thank all the Board members for their efforts in keeping this great Chapter alive!! Without your help, as a member things will not happen! Your input is important. My wife Nancy and I would like to extend our sincere wishes to all of you for a prosperous 2011!! See you at Nicolet January 10,2011. Your Prez. Clete

MERRY CHRISTMAS everyone!!
Sorry I'm missing our Christmas party
at Legends but I have to work (in Flor-
ida) I really would have loved to be
with you all for the occasion. We
have a great group and it's always the
highlight of our yearly get togeth-
ers. ENJOY! Someone will have to
fill me in on the festivities :)
Don't have a speaker lined up for
January yet but I heard the helicopter
video was beautiful. Thanks so much
Gordon for the presentation!
See you all in the New Year!

Congratulations
