Hard to believe it's June already! May really flew by and the weather didn't seem that great but we surely had a lot of "CONGRATS" this month.

Our May EAA meeting was well attended and guest speaker Joe Norris gave a very interesting presentation. You can really tell Joe loves what he is doing! Thanks Joe for sharing your passion and expertise on homebuilding with us. The June 14th meeting will be at Martin's Aerodrome so bring your lawn chair and mosquito spray for an enjoyable evening. Dick always has some interesting stories and Rick puts on a spread of food. I think Joanne always has a cake too for Dick's birthday. I wonder how many candles this year? Better have the fire extinguisher handy :)

Sunday May 16th was dawning beautifully as planes flew in to Nicolet for our first PANCAKE breakfast of the year. Cleve had the coffee going as the rest of us gathered to seek and find the needed breakfast paraphernalia. Ardo, Alan, Cleve, Nancy, Jody, Don K, Mike & Terry M, Karen, Marlene, Firman & Greg had the kitchen open for business by 7:45. What a crew! Thanks to all our workers, you make it a pleasure to serve. The desserts were overwhelming too. Thanks to Howard and Delores, Marlene, Nancy, Mike Jurmu, Della, Mike & Terry M. I apologize to any I missed and I know there were more folks that brought goodies. Surely appreciate all who helped out. Also KUDOS to all the guys and gals that flew YE's and did the paperwork. AWESOME!! I think we grossed \$678.00. What a fun way to help our Chapter kitty. I know the pancakes had to be good cuz' Jim Fritsche stood by the grill eating for quite a while and Ardo had a hard time just keeping his plate full :)

It's still May and we have another huge success story for EAA Chapter 651 at Austin Straubel surrounding the LZ Lambeau Veteran salute. Bob Kirschling commanded the "FOOD TENT" crew of Chapter volunteers in a two day kitchen detail May 15-16th. Well done Captain and Crew! Don't know the final financial tally on it but I know it was a success. So many THANKS to so many willing & hard working volunteers.

Happy Father's Day.
