From the Prez

Roy Shwery, one of our valuable members of Chapter 651 passed away on Oct. 26. I had the experience to fly with Roy for several Bi-annual Reviews. He was a very interesting man! I talked with Noel Clark about her position as Program Director, and she stated that if anyone would like to take her place on the Board she would be willing to help them. There is a list on the EAA web-site of people available to speak at any EAA function. The positions of Vice President, Secretary, and Editor of our newsletter are absent of nominations. The AOPA safety seminar held at Manitowoc was very interesting and well attended. Jet Air is planning a Wings Program for Wednesday Dec. 8 at 7:00 PM. Our Chapter Christmas party is scheduled for December 5-we need to iron out some details at our November meeting. Enjoy this great fall flying weather!! See you at Nicolet November 8. Your Prez. Clete

This last week we lost Roy Schwery, he had been a contributing member of our club when I first joined. I will always remember, his interest in my progress as a pilot. I can remember his asking every meeting how my flying was coming along, how many hours was I up to. His encouragement for me to get my instrument rating and why getting my commercial would be a good learning experience.(I think he forgot that Noel was beating on me at this time or maybe not.) This from a man who I understand had well over 30,000. hrs. The point of all this is aviation has lost a truly outstanding pioneer and we have lost a good friend. I want to extend our deepest sympathies to his family. Jim

What a beautiful autumn we had! Hope nobody had any damage from those crazy winds last week. I watched a few airliners land.....gutsy! I was glad I couldn't get the hangar door open :)

I missed the last meeting but heard Pete K gave a great presentation. Thanks so much Pete for sharing!

Also was informed I missed quite a banquet by Pat Heil and Tailwind. What a super group we have. The Nov 8th EAA meeting will be at Nicolet and Gordon Chevalier will show a spectacular film on helicopter flying in Hawaii. This film was shot by the same folks that did "Planet Earth". Gordon's brother owns and operates "Blue Hawaiian Helicopters. Bring a friend and enjoy a sightseeing trip in Hawaii. If you haven't marked your calendar yet for the EAA Christmas party on Sunday 12/5 at Legends at 875 Heritage Rd, De Pere, DO IT NOW !! Please call me at 621-1802 with your reservation by Sunday Nov 28th. It will be as usual "pay at the door". Social hour at 5pm and family style supper of chix/tips at 6pm. The Chantelles will provide some delightful entertainment to round out the evening. Don't miss it!

HAPPY THANKSGIVING!
CAVU.....Noel
