Fly-in at Antique Aerodrome on Aug 27th 9:00 am till 4:00pm

From the Prez

It was an honor for one of our senior Chapter 651 members, Jim Sorenson to get a ride in a B-17 at Airventure! On Monday July 25th. Jim and members of his family, including grand children, had this rare chance to ride in the same Airplane which Jim was captured from during World War Two. Jim was pictured on the front page of the Green Bay press Gazette on July 26. The B-17 flew twenty minute rides from Appleton over EAA all week. August will be a busy month for Jay Baeten, not only is the monthly breakfast on August 13, but his annual Fly-in will be held on the 27th from 10:00 until 4:00.- mark these dates on your calendar. It was great to see the great number of attendees at our July meeting at Jet Air. Also a big surprise to have Mike and Linda Beronja attend to greet the many of the Aeromart volunteers who worked with us during those years. August 8 will bring us to Jim Christensen's hanger for our annual Ice cream social, bring a chair and bring a friend. I hope you had a enjoyable time at Oshkosh!! Your Prez; Clete

Meeting Minutes recorded by Alan Georgia

Wow what a great Airventure. I was able to make it down on Mon. , Tues. Thurs. and Fri. I don't think one could have a better vacation. I hope that you were able to attend. I want to thank those of you who volunteered your time and efforts be it at the Sea Plane base, the various organization booths, and just sitting under your wings talking. I already can't wait till 2012. Be safe and happy flights. Jim

EAA Airventure, what a week! Hopefully everyone was able to attend at least one day to see the new electronics, airplanes and air show. I must admit it's lost a little of its charm for me after 40+years of attendance but I guess that just means I'm getting old. I still love aviation and everything about it though and expect many go as I have gone with total excitement, enthusiasm and awe. An amazing show!! Our July EAA meeting at JET AIR was well attended in the BIG hangar with John Reed, Asst Airport Mgr and new Tower Mgr Robert Stone giving interesting and informative presentations. Thanks much for taking the time to share with our Chapter. It's great to have our aviation community communicating. Thanks to Al and your crew for organizing and to Matt and Theresa for the awesome food! Well done :) Our Aug meeting will be at Jim's HGR 4, 7pm and will be our annual ICE CREAM social! You can't miss this one! John and Rose Dorsey (Pres and Treas/Sec of the WI Aviation Hall of Fame and many other credentials) will be giving a presentation on their flying adventures thru the entire State of WI. Bring a friend, lawn chairs and enjoy an evening of 'flying'. Park where you can and I'm pretty sure the 'cell phone lot' will be available for us also. We'll be deciding on the Christmas Party location, Legends, The Woods or The Spot. Stadium View did not get back to me. The date this year will be the Sunday after Thanksgiving Nov 27th. Mark your calendars!! We're planning an auction too. Let's have your ideas. CAVU Noel
