From the Prez

To lose a Chapter member is always hard to except-losing a member after an aircraft accident is even harder. Our condolences go out to Mike's wife Helen and their family.

In spite of the foggy conditions on May 22, the day of our Chapter breakfast, the turn out of Chapter members and friends was good. Ardo kept those pancakes coming along with his added humor. Thanks to "Jiffy" and all of you who helped make this event a success.

Our June 13 meeting will be held at Martin's Aerodrome at 7:00 P.M. Bring a chair if you wish to sit for the meeting. This meeting is special because it falls on Dick's birthday!!

In case you haven't heard, our member from Manitowoc, Don Kiel is racing his sprint car at the 141 speedway on Friday evenings so if you are looking for a little excitement in your life just take drive to the track in Frances Creek.

June 4-5 is the Manitowoc's "Thunder on the Lakefront" Air Show Chapter 383 will be serving breakfast both days.

Your Prez,
Clete

Is it really JUNE? I'm not convinced yet, but Jim said it was time for the newsletter and I did turn the page on the calendar.

I missed the last EAA meeting but a big THANK YOU to Paul Sauvey for his presentation on his mission work in Haiti. Also thanks Bob for taking my "food" duty. The summer EAA meetings begin with the June 13th meeting up at Martin's Aerodrome. Dick always has something informative and interesting to show and tell. Don't forget your lawn chair! If you are able, fly in!! I think Dick always has a birthday at this meeting too. :)

We surely had a super Pancake Breakfast Sunday the 22nd. Had about 7 flyins and around 85 folks. Everything was so good and the crowd just flowed so smoothly. Lots of wonderful comraderie. Just how could an event be any better when you have folks like Ardo, Clete and Nancy, Mike and Terry, Karen and Alan. The scrumptious desserts provided by Nancy, Terry, Marlene, Karen and Alan were enjoyed immensely. What a happy lot we served also. Thanks so much for participating. We just couldn't do it without all those smilin' faces. KUDOS to all.

CAVU.....Noel
