On October 17, my wife Nancy and I attended the funeral of three very good friends and co-worker of ours. Larry and LouAnn Geroll along with their daughter Joan lost their lives on their son's property by a out-of-control van. Both Larry and LuAnn were always involved in any EAA activity of their Chapter 383 in Manitowoc. Larry was always ready and willing to help with anyone who needed a part fabricated for their aircraft or any other project! The EAA Young Eagles program is offering any Pilot who flies a Young Eagle between now and the end of the year a chance to win a Lightspeed Zulu noise-canceling headset. The more Y. E. you fly the more entries you get. I will not be able to attend our December meeting-my wife and I are traveling to Hawaii along with Firman and Nathlie Balza and daughter Carol for the 70th celebration of Pearl Harbor. This should be an interesting event! However, I will be in attendance at our early Christmas party/auction at the Woods on Sunday the 27th of November. As of this date I have not received any nominations for the four officers/directors up for election. This will take place at our December meeting at Nicolet. A reminder- November 9th. at Jet Air there will be a Safety Seminar at 7:00 P.M. Your Prez;
