I hope that the changes with our November/December monthly meetings will not confuse our membership! Since the Minnesota Vikings will be playing in Green Bay on November 14 at 7:30PM and our annual Chapter party is Nov. 27, I would like to dispense with the November meeting and hold a December meeting on December 12. Bring your thoughts and suggestions along to our October meeting.

October is the month to nominate some of our board members-Karen Kalishek, Treasurer, Noel Clark, program director, Bob Kirshling our director and refreshment coordinator, and Clete Cisler, President. This is your chance to be a little more active in your Chapter-either have someone nominate you or just offer to serve in any of these positions.

Our Manitowoc resident/member Don Kiel, has reminded me of the fact that he recently checked out in the Lockheed Electra Jr. you can view the aircraft on www.electrajr.com. The Lockheed is similar to the Beechcraft 18, but as Don states is a better performer! Beauty can be in the eye of the beholder!

Get your auction items read for our November 27 party at the Woods!! Enjoy the great flying weather. Fly safely.

Your Prez. Clete

The leaves are already beautiful north of Green Bay so I surely hope Mother Nature allows her beauty to shine until everyone gets a bird's eye view. The colors of Fall are breathtaking but so short lived.

Our Sept EAA meeting was back at Nicolet and well attended with Woody Williams giving a rapid-fire power point overview of every facet of LSA (light sport aircraft). An amazing performance Woody. Thank you for all the info and handouts.

Dustin Ridings will be our guest speaker at the Oct. 10 meeting. Dustin will be discussing many safety issues which will include the hazards of carbon monoxide. We will have carbon monoxide detectors available for your airplane if you need one at \$5 ea.

Good idea!

I hope you all plan to come to our EAA Christmas gathering at the WOODS on Sun. Nov 27. 5pm social cash bar/6pm family style chix and tips/ auction to follow. Please make, bake or find an awesome auction item for our Chapter fund raiser. This is always alot of fun and BUCK will do his best to get top dollar for your item. \$15/ person at the door. Please call me by Nov 20 (Sun) with your reservation. (920) 621-1802. Please remember we have to pay for your meal once the reservation is turned in. Thank you for your consideration in this matter.
