Nicolet Airport
Fly-in Sept 18
10:00 until 4:00

September brings us back to the Nicolet Airport for our monthly meeting! Both the July meeting at Jet Air, and the Ice Cream social at Christensen's hanger were well attended. It is grateful to all who supported these events either by helping or being in attendance. The weather was very co-operative for Jay Baeten's annual Fly-in at his strip. A good verity of Airplanes and cars were on display during the afternoon. The food was excellent and plentiful. Jay flew many rides through out the day. I would like to thank Della Clabots for encouraging members to send a note to Jim Sorenson for him to read on his return of the Honor Flight that he experienced on August 25. He stated that it was a great experience, except for the early departure from the Appleton Airport at 6:30 A.M. Jim's friend, Marlene Clausen, who brings her great Monkey bread to our breakfasts and Fly-in, has recuperated from her hip replacement and is at home. Carl Buergi is recovering from his knee surgery, and is in rehab at the Woodside home-visitors are welcome. Nicolet Airport will be hosting their annual Fly-in on September 18 from 10:00 A.M. until 4:00 P.M. hope you can work this in your schedule- a dish to pass or a donation would be appreciated. Fly with your eyes outside of the cockpit!!

Another page on the calendar turned and we're headed into Fall. My most favorite season. I love the warm days, crisp cool evenings and the smell of leaves turning. No, really just smell them. Oh yeh, then there's the raking!

I won't go there now, just ENJOY!!

WOW! What a lot of "congratulations". August must have been a good wx month. Of course, Pat Masse filled it up with staying indoors and studying. Great job Pat!

We surely had a wonderful Hangar 4, EAA meeting and ice cream social. The "Dorceys" put on a super presentation and inspired a lot of folks and the Clabots and Howards supplied the most awesome ice cream and toppings yet. Thanks folks! Can't believe I had two bowls full. OINK! Thanks Jim for the use of your beautiful hangar. We missed you.

Our Sept meeting will be at Nicolet on the 12th at 7pm. Woody Williams will be our speaker and the topic will cover requirements and info on Light Sport flying, pilot and a/c. Come with your questions.

The decision was made at the last meeting for the "Christmas Party" to be held at "The Woods" on Nov 27th. We apologize that the date is the last day of deer hunting but a change is good sometimes and this will enable Clete and Firman to attend. Also decided was that there will be an "auction" because it is such a great fund raiser for our Chapter. We are asking for you to consider donating a desirable item that will be coveted by all and easily auctioned. Even homemade cookies, candies etc. are excellent. Nancy said that a couple dozen of her cookies went for \$25. Buck has volunteered to be our auctioneer again.

Thanks Buck! Please call with your reservation or any questions 621-1802 Noel or email nclark-sky@att.net by Sunday Nov 20. I guarantee you'll have a fun time.

Happy hour at 5, family style chix and tips at 6.

Auction to follow. Pay at the door.

See you at the meeting and "don't forget to smell the leaves"

CAVU.....Noel
