### August Breakfasts:

August 11th at  
Antique Aerodrome 7:00 am to 10:00am  
  
Sept 15th at Antique Aerodrome 7:00am to  
10:00am

AUGUST is usually hot but I'm hoping we've used up our HOT for the summer and we'll have an August where the 'normal high' is about 79 degrees. Wouldn't that be a welcomed relief.

If you look at the CONGRATS you'll see that the heat hasn't slowed down the 1ST SOLO flyers.

How 'cool' is that ?

Our July EAA meeting at Jim's Hangar 4 was well attended, even Jim was there :). Rich Mamrosh gave an excellent presentation on weather. Bob and Anita provided some super summer goodies. I think we buttoned up the place about 9:30. A beautiful evening. Thanks everyone and thanks again Jim for letting us use your Hangar.

Our Aug 13 meeting will be at Jay's hangar and it will be our annual ICE CREAM SOCIAL. Wayne Spence, a Navy pilot will speak and show a 30 minute combat video with him flying. Really looking forward to Wayne's presentation.

Just in case you've forgotten that you've signed up to provide food:

We've gotten a great offer from the WOODS for our Christmas party but we would need to do it on Sun Nov 25.

The Packer game is out of town. Dec 2 and 9th, Packer games in town. Think about it and we'll discuss it at the meeting.
