From the Prez

"Thanks much" to Alan Georgia for taking over the meeting in December in my absence. Also thanks to Mike Mahlik for having the Clubhouse ready. The meeting was brief due to the fact that the Clubhouse furnace failed, and it was a bit cool in the building. The furnace had not been maintained since its installation, Mike's son who is in the heating business took care of those maintenance issues a day or two later.

As we start out a new year your annual dues are due!-you can either send them to Alan Georgia or pay him at the meeting. Thank you in advance!!

There a couple of Ski "Fly-ins in the area during the next few months-check them out on the EAA website. We hope all of you had a memorable Holiday Season!!

Your Prez.

Clete

Happy New Year.   My reso-
lution this year is to fly more.
I want to stay not just current
but more proficient. I would
bet I'm not the only one.
Lets hope that the weather is
better this year on the week-
ends and the occasional day
off. I would really like to
make it to Iola a few times
and maybe even get to fly
into a couple of our meet-
ings. Perhaps fly a few more
Young Eagles.(If the helicop-
ter crowd will let me.) So
hope to see you all in the air
much more in 2012… Jim

HAPPY NEW YEAR
We actually had quite a few folks
at the Dec meeting. Low key and
just socialized and tried to keep
warm by the 'stove'. Something
was wrong with the heating sys-
tem so hopefully that will be all
fixed by the time our January 9th
meeting rolls around. Our guest
speaker will be Dr. Sherwood
Williams 'Woody'. Woody will
walk us through what it takes to
accomplish the 'WINGS' pro-
gram. I used to work with alot of
folks on the Wings program but
then it got so complicated on the
computer that I couldn't figure it
out. A few like Jim F, Greg
Clabots & Bob W managed to
wade through it and the training
was fun and worthwhile. Can't
wait Woody!!
THANKS to all of our guest
speakers in 2011. We appreciate
your time, talents and sharing
your story and expertise. If any-
one would like to speak or
knows someone who would be
willing to at one of the meetings
please let me know. I really ap-
preciate your input.
See you in 1012. Fly safe and
CAVU...............Noel
