

# The Sky's the Limit

News letter for EAA Chapter 651 Volume 24 Issue 6

## From the Prez

Your comments on the Medical Petition were due on July 2 -- I hope you Pilots requiring medicals sent in yours! Today, June 28 was an exciting day for 12 young boys from the De Pere Middle School who became Young Eagles. Thanks to pilots Alan Timmerman our co-coordinator, David Charles and Charlie Smith. Also thanks to Karen Kalishek, Paul Hamachek, and Greg Clabots who assisted with the ground crew. Their teacher who brought the boys to the airport supplied us with muffins and lemonade, which went over very well after the flights. One of our very active EAA members-- Byron "Buck" Greenlaw lost his wife after a five-year battle with Amyotrophic Lateral Sclerosis. I attended the celebration of her life on June 27 where many of Mary's contributions to various phases of learning were spoken by Buck and her brother and sister. She was very passionate of her career and a very giving in her daily life. No new news on the availability of the B-17 as of this time. We continue to have members who have not paid their Chapter dues for 2012 -- I attached a list to the June sign-up sheet and will attach it to the July sign-in sheet. Check the list for any errors that it may contain. See you at Hanger 4 on July 9 at 7:00 PM. Enjoy your freedom of flight with safety on your mind! Your Prez. Clete

6/5 Tim Schuh CFI

## **Airwaves**

### HAPPY JULY 4TH!!

The summer is flying by and EAA Oshkosh will soon be here. Really looking forward to the convention this year.

Had a beautiful evening for our June EAA meeting at Martin's Aerodrome. Thanks to Dick and Joan for hosting us all. Our July meeting will be at **Jim's HANGAR 4**. Park where ever you can and I'm sure the cell phone lot will be available also. Our guest speaker is **Rich Mamrosh** the aviation program leader and senior forecaster at the NWS at GRB. Bring a chair and a friend. Bob Kirschling is in charge of the refreshments. Our August meeting will be a **Jay's** hangar and it will be our **ice cream social**. Guest speaker will be **Wayne Spence** a Navy pilot from 1942-1972. You won't want to miss this one.

Try to stay cool and if you encounter any trees you're going to have to clear on takeoff, take into consideration **density altitude**. It's out there!!

**CAVU** .....Noel

## **July Breakfasts:**

July 14th at

Antique Aerodrome 7:00  
am to 10:00am
