

The Sky's the Limit

News letter for EAA Chapter 651 Volume 24 Issue 5

Meeting Notice: **From the Prez**

Meeting:

Our April meeting was probably the largest attended meeting in the history of Chapter 651! Thanks to Alan Timmerman, Bruce Bressler and the rest of the Jet Air group for allowing us to use their place. Also thanks to Dave Seidl for being responsible for the food. The programs Alan offered were very interesting and informative to those in attendance.

May Meeting:
14th 7:00 pm
Nicolet

May brings us back to Nicolet--June at Martins Aerodrome, July to Christensen's at Austin Straubel, and August will be having our Ice Cream social meeting at Jay Baeten's Airstrip. May 20th. will be our annual Fly-in/Drive in breakfast from 8:30 until 11:00 at the Nicolet Airport. My wife Nancy and I will be out of the State along with Noel and Karen. Mike and Terry Mahlik will be in charge of the Porkies and Pancakes. Additional help will be needed with the collecting of the money, keeping the coffee pot filled, parking cars and airplanes, and serving the food. Also if someone would like to bring a dish to pass --fresh fruit or one of your favorite breakfast treats---this would be very much appreciated. This will be part of our May agenda on May 7. Fly with safety on your mind! Your Prez. Clete

June Meeting:
11th at
Martin's
Aerodrome

June 2 and 3**

Airwaves

What great flying weather we've had except for the wind. Good practice though so hopefully the wind hasn't stopped you and if it has be sure to take your friendly CFI out with you and do a little x-wind work and you will be feeling comfortable in no time.

Jet Air certainly put on a super April EAA meeting at their facility. Thanks for all the organizing and work Al, Bruce and crew. Well done!!

Our May 14th meeting will be at Nicolet and guest speaker will be Jay Faikel, a fellow pilot and 'keeper of the bees'. What an amazing insect and a very interesting hobby. Jay will share his 'bee' knowledge. BE there!!

Mark your calendars for May 13th Mother's Day and May 20th the EAA Pancake Breakfast at Nicolet. We have Ardo, Terry and Alan on pancake duty, Bob K and Paul Stutleen on the food and beverage line. If anyone would be inclined to make a dessert, it would really be appreciated. Serving time will be from 8:30-11am. Hoping for a beautiful day and a great turnout. Bring your family and friends. No better place for fun and socializing.

Don't forget on that x-wind takeoff to put full aileron deflection into the wind, keep it going straight with the rudders and I promise you'll know when to take the aileron out. Try it!!
CAVU.....Noel
