"THE GOLDEN AGE OF AVIATION" What a great entertaining evening was had by all attendees, and thanks to Al Timmerman and his staff for their efforts in setting up the production! Our November 12 Chapter meeting will be held at Jet Air and will partner with the Wings program. On Saturday, October 20, Jay Baeten, Gene Vande Hey, Vern Heyrman, and myself met at the Manitowoc Airport to fly to Shawano for lunch in Don Kiel's Beach-18 N480P. Don's son Noah accompanied us on this memorable flight. Gene got the front (Co-pilot) seat on the way to Shawano and I got to get that space on the return trip. After Don had things "leveled" off, he allowed me to take the controls along the way. For me, that was a lot of airplane compared to the light weight Piper I normally fly. What a fun flight!!

As the results of our October nominations--Noel Clark stated that she is stepping down as our Program Director. Noel has done an excellent job with setting up people to speak at our monthly meetings, as well as the Christmas party, and other Chapter events. She will be available to assist who ever else will assume her position. This will be part of the agenda at our November meeting.

Some interesting things have been happening in management at EAA! It was an unexpected surprise to me. As you enjoy your freedom of flight--keep your eyes outside of the cockpit! Your Prez, Clete

I do believe this was the most beautiful Fall in years. The colors were so brilliant and the leaves hung on forever. Hopefully you were able to see the beauty from the air also. I missed the October meeting but a big thanks to Wayne Spence for his presentation . I heard there may be copies of the video he showed for purchase. I would really love to see it. Thanks also to Lloyd for making sure Wayne had a ride.

The Nov 12th meeting will be at Jet Air and Al Timmerman has all the details which he will include in this newsletter.

Don't forget to call me 621-1802 or email me nclarksky@att.net with your Christmas gathering reservation to the Woods by Fri Nov 23. You won't want to miss it :)

See you all soon. CAVU.....Noel
