

# The Sky's the Limit

News letter for EAA Chapter 651 Volume 25 Issue 12

From the Prez

## Meeting Notice:

Jan Meeting will be at County Rescue details to follow,

Noel Clark has been a large part of Chapter 651!! She was very active even before I became a member of the Chapter. Her assistance to many of our members with their flying issues, bi-annual flight reviews, advance training and also scheduling programs for our monthly meetings. The planning of our annual Christmas party was another of her energetic activities. We as a Chapter thank you for all those years of service - hopefully someone will take the challenge to support the Chapter in this area. During my 18 yrs. as Chapter President much of our success was a result of Noel's efforts to create interest in the Chapter. Remember to get your reservation to Noel for our annual Christmas party on December 1 - before November 24. Although this will be my last article for your newsletter - I will try to continue to support our newsletter with some Aviation related news.

Your Prez. Clete

## **Airwaves**

What a fun Christmas party. 64 folks turned out and the food and fellowship was excellent. Buck was an awesome auctioneer and brought in about \$1200 for the Chapter coffers. Thanks to everyone for their participation in all the festivities and making this gathering so special. Clete is retiring as Chapter President and was presented with a gift certificate for Blue Harbor resort in Sheboygan. How do you really thank Clete and the support of Nancy for all their years of dedication to the success of our Chapter. Not possible!! Hopefully they will enjoy this small token of our appreciation.

A special 'Thank You' to all our Chapter officers. We'd truly be 'grounded' without all your support and hard work. Best wishes to our new Chapter President Dustin Ridings.

Merry Christmas and see you all in the New Year.  
CAVU.....Noel

## **Congratulations**

11/7/13 David Schneider

Jet Air has started offering a .20 cent discount on 100LL on Saturdays and Sundays.

Starting in January I will no longer be sending out printed copies of the Newsletter. If you need a printed copy please contact a friend and see if they can print up a copy for you. Please send an Email address to EAA651News@Aol.com

The B17 flyover for the Packers was preceded by a static display at Jet Air on Sat. Al Timmerman was able to get over his 250 th Young Eagle Flight in and pictured below he is with his 250th rider. Congrats Al . (Even though he cheats by scaring the kids with his helicopter )

“Just wanted to thank you again for all that you did the other day, I know my son Carson had the time of his life. He wants to be a pilot some day. Hopefully these pictures are alright, I have a lot more and will figure out a way to get them to you or Jack. I know that the other kids loved it as well, can't wait to do this again! Thanks again . Kevin”

Truly hope that all attending the Christmas party had a great time. I thought the food was great the auction fun though being out bided by “Old Money Bags Big Al” was disappointing. It brings us to a sad situation. The position of program director is still open and this in my opinion is the second most important for the clubs continuance. We desperately need someone to try to fill Noel’s shoes. the club needs someone to coordinate the speakers and the party's. Noel has said that she would be happy to advise this person but she will not continue doing the job.. Rightfully so, she has more than put in her time and efforts. Thanks Noel for your many years of service.
