

From the Prez

We, Chapter 651 members, wish to thank all of you who helped and attended with our Fly-in breakfast on May 19!! The weather co-operated and allowed the heavier Birds to attend. Thanks to them also. Don Kiel used only one half of the runway at Nicolet to bring in the Beech-18! This month we will travel to Martin's Airdrome for our June 10 meeting. Bring a chair and Rick Gerhard will bring Hot Dogs as part of Dick's birthday celebration which is on the 13th.

Weekend work parties at EAA continue thru July. The remaining June sates are 22-23 and June 29-30. The only weekend in July are the 13-14. If you wish to be there, EAA needs to know--I have the details or you can e-mail Theresa at tmeixensperger@eaa.org. Your help will be greatly appreciated and it is a good time to meet people from across the nation.

Remember Saturday June 8 will be the second Breakfast at Jay Baeten's place--always plenty of goodies served!

The weekend of July 6th, Rio Creek will be holding their Fly-in with Young Eagle Rides - pilots will be needed along with ground help. Give Al Timmerman a call if you can help, he can be reached at 920-639-6666.

Fly with safety on your mind--see you at Martin's June 10. Your Prez. Clete

Airwaves

I'm not even going to mention anything about our crazy weather this time but I am thankful we do NOT live in Oklahoma.

I was out of town for our May EAA meeting but I heard it was well attended and Don Kiel gave a great presentation on his aviation career. Thanks much Don for sharing your stories and expertise. Really wished I could have been there.

Our June meeting will be at Martins' Aerodrome. Dick's birthday month :) Wayne Spence a Banshee pilot with many stories and adventures in the war will be our guest speaker. Bring a chair, a friend and enjoy a fun evening.

When you preflight the airplane, make sure you have enough fuel to make the destination. There's just no excuse for running out of fuel 2 miles from the airport!! Lets fly smart and safe. CAVU.....Noel

Congratulations
